

We gather data once thought impossible.

THE ABANDONED WEB VISITOR ISSUE.

A visitor lands on your website. They browse and then abandon their visit without filling out a form, making a purchase, or calling for more information. You've spent time and money to drive them to your site, now they've vanished and even though they have an interest in you, you have no way of connecting with them. *Lucky for you we do. We've got the tech.*

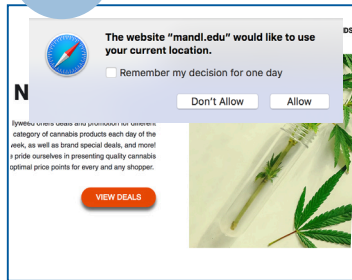

HOW DO WE DO IT?

1

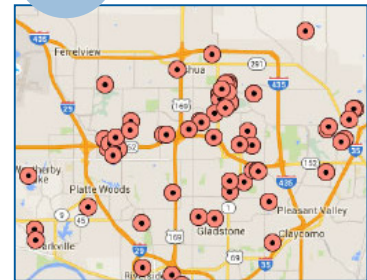

YOU GET AN ANONYMOUS WEBSITE VISITOR.

2

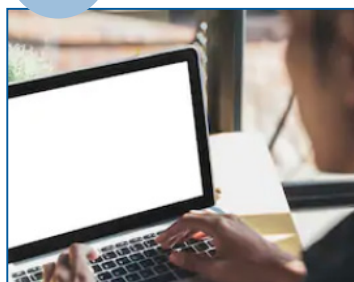

THEY ARE ASKED A QUESTION. A HIGH % CLICK "ALLOW."

3

**WE THEN IDENTIFY THEIR NAME, ADDRESS AND EMAIL AND GATHER DATA SUCH AS:
AGE, GENDER, HHI, CREDIT SCORE, MARITAL STATUS, HOMEOWNERSHIP AND MUCH MORE**

4

EVEN IF THEY LEAVE YOUR SITE!

5

A HIGH PERCENTAGE OF ABANDONED VISITORS ARE INTERESTED AND ACTIVE BUYERS. WE REACH THEM WITH DIRECT MAIL, EMAIL, & MORE MOMENTS AFTER THEIR VISIT.

With our data, abandoned visitors are now qualified leads.
